Dear Fellow Stockholder,

I serve as the Non-Executive Chairman of the CIRCOR Board. I also chair the group of six “independent,” or non-management, directors of the Company. Our principal responsibility is to establish and maintain an effective system of corporate governance. We have developed a set of principles and procedures for corporate governance that have served the Company well. Among other things, this resulted in our securing the services of an excellent group of independent directors who have an array of backgrounds and expertise that can contribute to the growth and development of the Company. This year we were able to add another director with a wealth of experience, Samuel R. Chapin, after the retirement of one of our most effective and thoughtful directors, Douglas Hayes. We thank Doug for his service to the Company.

We also work with management to develop a strategy for creating value for shareholders. As you will see from the attached letter from our Chief Executive Officer and related report, this produced good progress this year as well as positioned us for good prospects for the future.

On behalf of the Board of Directors, I thank you for your continued support of CIRCOR and for the confidence you have placed in us.

I am pleased to invite you to the 2019 Annual Meeting of Stockholders of CIRCOR International, Inc. to be held May 9, 2019 at 12:00 p.m. local time, at the offices of the company’s headquarters, 30 Corporate Drive, Suite 200, Burlington, Massachusetts. During the Annual Meeting, we will discuss and vote on the matters described in the enclosed Notice of Annual Meeting and Proxy Statement.

Sincerely,

David F. Dietz
Chairman of the Board
