**Explanation of Responses:**

1. The options vest one-third per year over a three-year period commencing on 2/18/2006.

2. The options convert into shares of common stock on a one-for-one basis.

3. The grant of restricted stock units reported herein entitles the reporting person to a receipt of shares of the issuer's common stock on the later of (i) vesting of the grant or a portion thereof and (ii) such longer deferral period as the reporting person may have elected in advance.

4. The restricted stock units reported herein vest in equal installments of one-third over a three year period commencing with 2/18/2006.

5. As noted in footnotes 3 and 4, the restricted stock units vest over a three year period and, subject to any longer deferral period selected by the reporting person, automatically convert into shares of common stock at no conversion cost to the reporting person.

6. Restricted stock units (RSUs) convert into shares of common stock on a one-for-one basis. These RSUs are issued pursuant to a provision under the issuer's Management Stock Purchase Plan pursuant to which directors may make an advance election to receive RSUs in lieu of a specified percentage or dollar amount of the director's annual retainer. The RSUs are issued in whole units on the basis of a 33% discount to the fair market value of the issuer's common stock on the date the underlying compensation is paid or otherwise would be paid and generally vest 3 years after the date of grant, at which time they are converted into shares of common stock unless the director has previously selected a longer deferral period. The reporting person has elected to receive these RSUs in lieu of his entire annual director retainer fee of \$27,500.
